2018 FIE Workshop

Workshop conducted at the 2018 Frontiers in Education Conference (2018-10-03) in San Jose, CA.

The goal of the workshop is to share our data, methods, and metrics for intersectional research in student persistence. The workshop is designed for R beginners.

Pre-workshop setup

- [Getting started](#) for pre-workshop software installation instructions.
- [Preface](#) for an introduction to MIDFIELD and the workshop facilitators.
